Questionnaire

Please give examples when applicable.

1.) What is your main concern with your child's handwriting?

2.) Does your child use appropriate space between words and sentences? Does he/she keep one word all together or tend to spread the word out entirely?

3.) Can your child format letters correctly by starting from top to bottom?

4.) Do you feel your child use age appropriate sizing in letters and words?

If you have any other information that you would like us to know about your child please feel free to list your own thoughts and concerns. This will help us to address the areas your child is having difficulty in regards to handwriting.
